Dokumentation Covid-vaccination - Version: 2021-10-07

Batchkoder/LOT för skanning till NCS Cross

För en ökad säkerhet att rätt information/format blir dokumenterat gällande batchnr. i Cross så rekommenderas att dokumentationen görs med hjälp av handskanner. Öppna sökordet Batchnummer och skanna av aktuell QR-kod för att få in numret i Cross.

Nya koder kommer löpande att distribueras när nya batchnummer blir aktuella.
